August 2007

From the Co-ordinator

Several people have asked me to encourage more of our members to support our exhibition openings. Every four weeks, Gallery M - the gallery that the Red House Group, (YOUR group) manages, has an exhibition opening. You may not always know the artists concerned, or the style of artwork may not always appeal.

However, for any artist, having an exhibition is a major event; they are putting their work on public display and have to be ready for the rewards or criticism that may follow. It is important to support your fellow artists, and one way you can do that is to come to their exhibition openings. Most of our events are well attended, but it would be good to see a few more familiar Red House faces amongst the crowd.

Patritti Wines supply the refreshments, light food is available, and it's a good opportunity to meet and network with other members and particularly potential clients.

Check the Events Diary in your Gallery M newsletter, and make note of the opening dates coming up.

We would love to see you all here again soon.

Julie
