To showcase local contemporary Aboriginal Art, Irene has invited **Nikki Baugh** to show a selection of her artwork, which is for sale. Nikki grew up in traditional rural and urban Aboriginal communities in NT and WA, and has lived in South Australia since 1997. Her artwork is indicative of her cultural upbringing, and she uses both traditional styles and mythology which she has fused with her urban lifestyle.

“I want to encourage others to respect nature, the land and waterways as much as our people do” Nikki says. “This spirituality and love of my culture, peoples and country is the premise for all my artwork”.
